Dear Jenny Folling,

It is a great pleasure to meet you in Sogn og Fjordane County Municipality.

With your considerate arrangement, we met government officials from your County and NOREC as well as teachers from UWC, who gave us informative presentations about the competitive advantages and future development of Sogn og Fjordane. We also reached consensus on cooperation in ice and skiing sports, youth exchanges and culture, etc.

Ningxia gives high priority to the friendship with Sogn og Fjordane County Municipality, and we are willing to promote the consensus by enhancing mutual understanding so as to write a new chapter of friendship between Ningxia and your County.

Last but not least, we deeply appreciate your hospitality in Sogn og Fjordane, and sincerely hope you could visit Ningxia at your convenience to explore possible cooperation and deepen our friendship.

Sincerely,

Foreign Affairs Office of
the People's Government of Ningxia Hui Autonomous Region
